

Eric Berman, M.D.

*Board-Certified Ophthalmologist
Fellowship-Trained Specialist in Oculoplastic
Surgery & Neuro-Ophthalmology*

With specialists in every field of ophthalmology, our patients receive care from physicians who are highly trained in their particular specialty. Our seven offices enable patients to visit the location most convenient to them.

Dr. Berman sees patients at these offices:

Lakewood Ranch
8340 Lakewood Ranch Blvd. #280

Downtown Bradenton
217 Manatee Ave East

Downtown Sarasota
1427 S. Tamiami Trail

Sun City Center
1515 Sun City Center Plaza

Areas of Specialty

- Eyelid Plastic Surgery
- Eye disorders associated with neurologic diseases, including multiple sclerosis, Parkinson's Disease, strokes, facial nerve palsy, pseudotumor cerebri and headaches
- Orbital and Reconstructive Surgery

A Foundation of Educational Excellence

Dr. Eric Berman graduated with honors from the University of Chicago and completed his medical degree at State University of New York-Downstate Medical Center in Brooklyn. After finishing his internship at Long Island College Hospital in New York, he completed his ophthalmology residency at State University of New York-Downstate Medical Center.

Dr. Berman completed fellowship training in neuro-ophthalmology, orbital and oculoplastic surgery at the University of Minnesota. He served as a full-time faculty member in the Departments of Neurology and Ophthalmology at the University of Rochester School of Medicine in Rochester, New York, and is currently a clinical associate professor at the University of South Florida College of Medicine in Tampa. Dr. Berman is one of fewer than 500 neuro-ophthalmologists in North America and has authored numerous journal articles, chapters in medical texts and various health-related television programs. He is co-author of the book *MRI and CT, Clinical Neuro-Orbital Anatomy*, published by the American Academy of Ophthalmology.
